

V160 DISPLAY P.C. BOARD

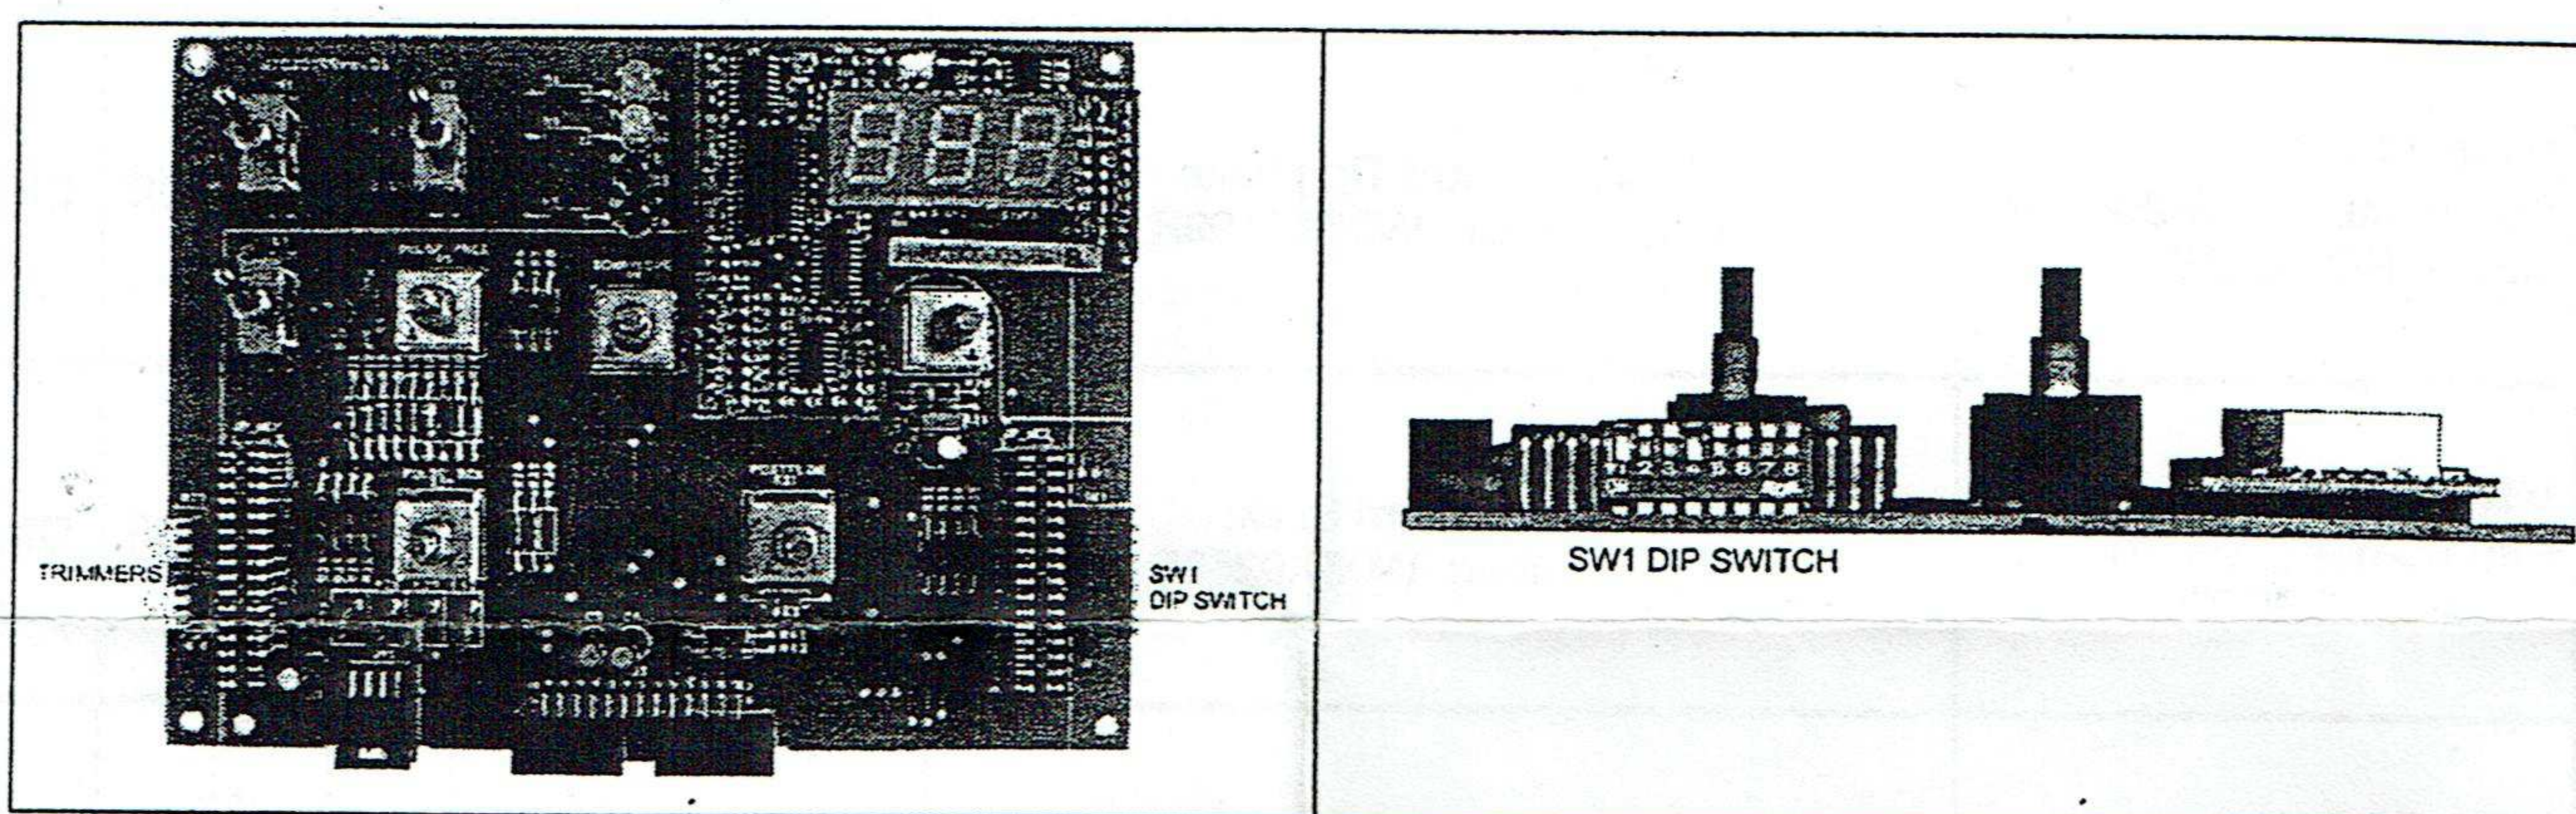

Part number: W05X0199R
W05X0251R
W05X0252R

WARNING

Be sure that only qualified individuals perform all installation, operation, maintenance and repair procedures. Lincoln Electric is not responsible for damages caused by improper installation, improper care or abnormal operation.

Before opening or disassembling any parts of the product, the power must be turned OFF and the product must be disconnected from the input power source. Only Lincoln trained service technicians are authorized to perform these modifications.

(PCB W05X0199 show in picture. Other PCB may look different but the Dip-switch is the same. The trimmers are already calibrated and sealed at factory.)
